Isaiah Casenelli Summer Youth Intern

Hello Sunrise Church and Youth! I am very excited to begin my work with you all over the course of this summer. Today, May 27th, 2018, will mark the beginning of our work together. I will serve in this position until the end of summer, August 11th, 2018. It is my hope and goal to not only develop a stronger bond with the members here and the youth, but also to establish strong roots in Christ for the teens getting ready to make the leap into their next phase of life. Several ministers have made huge impacts on my life, and I want to do the same for the next generation of Christians here. The purpose of this blurb is to tell you a little bit about myself so that you may know I have experience with working in youth ministry, and a strong foundation in Christ.

So let's cover some of the general information about myself. I am 23 years old and I was raised about an hour from Parkersburg in a nowhere town called Middlebourne, West Virginia, up in Tyler County. I was born into a loving family with two excellent Christian parents who had me attending services from the time I was born. They, along with my two much older brothers, always served as strong examples for me and always strived to instill an unbreakable faith in my heart for the Lord. For that, I will always be grateful. I was baptized into Christ when I was 12 years old, and have been active in the Church ever since leading songs, prayer, or serving at the Lord's table. The first time I found myself in the pulpit was at the age of 13. The lesson was composed for me by my preacher at the time, but the whole point in his eyes was to get me up there and comfortable proclaiming the message. Ever since that time, I have spoken numerous times in a year, at a few different churches. That led to me being offered the youth minister's position at the Pursley CoC under the guidance of Tom Butterfield. I served for them for 3 years while attending school here at Ohio Valley University.

Now, I serve as an Admissions Counselor for the university and have traveled from Pennsylvania to Tennessee talking to youth and churches about the university. However, I always say that it still is a ministry, because usually they ask me to present a sermon or devo for the youth, or ask me to lead singing at some point during my visit. All in all, I would guess I have spoken to about 3,000 youth from around 50 different churches. Though I never envisioned it for myself, youth and ministry is something I keep getting pulled back into, and I will always strive to put my best efforts to God's plan for me. If you have any questions, please feel free to come speak with me, or I am always available by phone at (304) 771-1854. Thank you so much for this opportunity, and I hope I do the wonderful body of Christ here justice!
