Old Age

A little boy asked his grandpa, "Grandpa, were you in the ark?" "No, I wasn't Billy," grandpa said. The perplexed little boy replied, "Then, why didn't you drown?" Regardless of modern views, old age is not a disease! In fact, the Bible represents old age as an asset. The faithful aged person has learned and grown. "Wisdom is with aged men, and with length of days, understanding" (Job 12:12).

A life lived long for God is such a good example to the young. "The silver-haired head is a crown of glory, if it is found in the way of righteousness" (Proverbs 16:31). So live!
