Church Growth Survey Results

Thank you for filling out the church growth survey last week for Sunrise church of Christ. Although we have some mixed results the results are very encouraging. The survey was separated by age group to get good ideal of the outcomes.

Number of surveys given out 76—total completed 60=78.95% participation

All 60 want the church to grow!

58 out of 60 members believe in the great commission.

59 out of 60 members are willing to pray for a friend or family member that needs salvation.

59 out of 60 members are willing to invite people to worship.

40 out of 60 members are willing to lead a Bible study with someone.

42 out of 60 members are willing to learn to lead a Bible study with someone.

39 out of 60 members would be willing to help with door-knocking.

51 out of 60 members would be willing to invite someone for a meal or take them out for a meal.

In looking at some of the basic results, a great number of members believe and want the church to grow, but when it comes down to doing some of the necessary things for the church to grow members have less interest. Let us work together as members of the Lord's church to save souls!
